From the Principal's Desk

Dear Parents,

We have been quite busy on the Ridge but we are in full operation. It is hard to believe that we have only completed three weeks of school! We have completed both of our Open Houses. The School Fundraiser is about to end, Volunteer Roundup is next Tuesday and reading groups have been up and running! The students have been wonderful, and so far very serious about the work at hand.

Every day counts and we want everyone here, but we are all mindful of the possibility of the H1N1 (Swine) flu. We have been lucky so far, but we know the possibility exists for an outbreak of the flu. We are encouraging everyone to watch and observe any flu-like symptoms in their children. If your child has any of the following symptoms please keep them home. If they have two or more symptoms, please contact your physician. Be observant of the following:

Fever greater than 100 degrees by mouth
Headache
Fatigue and weakness
Sore throat, cough, chest discomfort, difficulty in breathing,
Sneezing
Stuffy or runny nose
Muscle aches and pains

If your child is experiencing two or more of the above, he/she should be considered as a possible influenza case and should be kept home. Thank you for your help.

Have a good week.
